Veracruz, Mexico

Xalapa, sometimes spelled Jalapa - it has been described as an enclave of writers, artists, college students, and musicians, with Baroque and Neoclassical architecture and cobblestone streets. At night you can hear top-notch live music, by day visit great museums, and eat, eat, eat. Nearby mountains and forests are gorgeous for hiking and picnicking.

Whether you are looking for an authentic Mexican vacation, or are planning to expatriate to Mexico, Xalapa is a must see destination for your travel. Come enjoy the beauty of Mexico in Xalapa (also spelled Jalapa - think of the Jalapeño pepper!)
